

Self Picture Book Project

Your Task: You will create a picture book demonstrating your life story up until this moment in time.

You have two choices to format this book:

- You can do one page with an important event per year of your life (one page with an event from the year you were one year old, another page with an event from the year you were two years old, etc.) OR
- As many important events in your life as years (if you are 13 years old, your book will have 13 pages with different events of your choosing)

Your book must include:

- Cover page
 - Include the title, author's name, and a colorful illustration
- Your story pages
 - Each page of story must include a colorful illustration of the event you have chosen
 - Each page must have a 1 sentence caption labelling the event
